

BETHEL BAPTIST SCHOOL PROGRAM-2013-14

1. NFHS rules will apply. Although NFHS rules are followed as close as possible this program is not bound to them which means volleyballs WITHOUT the NFHS stamp on them are still permissible. When in doubt, ask the coaches for a clarification but please do not be insistent in doing it your way. Go with the flow and let me know what occurred so we can share it with the rest of our membership.
2. Varsity-3/5 Rally score to 25 no cap – 5th game to 15 no cap.
Jr Varsity– 2/3 Rally score to 25 no cap – 3rd game to 15 no cap.
3. The pre-match conference/ coin flip will be held just before the official warm-up time. We will provide one official for both the JV and Varsity match.
4. The home team will warm-up first when the official time starts.
5. Bethel Baptist-Warm-up time is 5-5-2, unless it needs to be speeded up due to travel constraints.
6. The home team will provide both line judges.
7. Teams may use the libero.
Bethel Baptist-If both teams use a libero the home team will provide the libero tracker. If only one team uses a libero, then that team must provide the libero tracker.
8. Because these are small schools, it is common for JV players to play on “Varsity” teams and vice versa. There are NO restrictions on how many games/sets a player may play so do NOT concern yourself with eligibility rules and playing time. Just ref and let the coaches work it out.
9. Because of religious beliefs some players may dresses that extend below the knee and some may wear head coverings. GO WITH THE FLOW. Check with the coaches when in doubt.
