## **MILEAGE REIMBURSEMENT**

Due to the instability of the price of gasoline, we have established new parameters with the West Central District to determine a fair and reasonable mileage reimbursement rate for both the schools and the officials. The guidelines are as follows:

Based on the average price per gallon as per Tacoma-Pierce County AAA Washington gas price index.

Price adjusted on:     Sept. 1<sup>st</sup> for Fall sports season  
                              Nov. 15<sup>th</sup> for Winter sports season  
                              March 1<sup>st</sup> for Spring sports season

NOTE: Middle schools will use the rate that is in effect at the time of their first in-season practice.
